## Young Game Designers 2018 - Game Concept

The Game Concept Award is all about presenting a fantastic new game idea. What sort of game would you like to play that hasn't yet been made?

- Entries will be judged on gameplay design, creativity and suitability for chosen games platform. Think carefully about how your audience will play your game and what their gameplay experience will look and feel like
- It is not required to have good drawing skills to enter the competition, as the entry will be judged on the idea you present to us
- You can save the form at any time and come back to it
- For more information on the competition, [click here](#)

Contact [ygd@bafra.org](mailto:ygd@bafra.org) with any queries.

Full name

Contact email

Contact number

What town do you live in?

What is your postcode?

I identify as:

What is your date of birth?

How old will you be on 31  
Aug 2018?

## Parent / guardian / school contact details

Please ask your parent / guardian / school contact (teacher) to fill in the boxes below and to complete the consent form which can be [downloaded here](#).

We need to see their signature on the form so please ask them to scan or take a photo when they've completed it and upload it below.

Consent form:

## Who is applying

Did you make the game on your own or as part of a team? You can either enter as an individual or with your teammates.

Please note:

- If you are entering as a team you can have a maximum of 3 people (you + two others)
- All team members must be in the same age bracket: 10-14 years or 15-18 years
- You only need to submit one application as teammates' details can be entered below
- Each team member must submit their own parent/guardian consent form

Remember you can save the form at any time and come back to it.
