Young Game Designers 2018 - Game Mentor

The YGD Game Mentor award is presented to an inspirational individual involved in the education of young games creators in the UK.

We are inviting nominations from members of the general public to nominate a mentor, teacher, code club leader or other educator who has inspired young people to learn programming and game design skills – particularly reaching out to young people who might not typically try their hand at game design.

About You

We'd like to know a bit about you before we find out about your mentor.

What is your full name?

What is your email address?

How do you know the person you are nominating?

Please tell us how you know them

Your Nominee

This person is someone who has supported, encouraged and inspired you and / or others to get involved with the designing and developing of games.

What is their full name?

What is their email address?

What is their job role?

How has this person inspired you to learn about games (50 words min.)?

Why does this person deserve to be named as YGD Mentor 2018 (50 words min.)?
